

POLITIKA INTEGRISANOG SISTEMA MENADŽMENTA

Naš cilj je zadovoljan korisnik!

Valjaonica bakra Sevojno a.d. gradi svoj poslovni uspeh i razvoj na stalnom unapređenju kvaliteta liivenih, valjanih, presovanih i vučenih proizvoda od bakra i legura bakra koji su prepoznatljivi na svetskom tržištu pri čemu je jedan od prioriteta poslovanja očuvanje i unapređenje životne sredine.

Utvdili smo procese i ciljeve integrisanog sistema menadmenta na svim nivoima u Društvu. Obavljamo menadžment ovim procesima u skladu sa zahtevima međunarodnih standarda ISO 9001 i ISO 14001 i stalno poboljšavamo njihove performanse.

Rukovodstvo Valjaonice bakra Sevojno AD obezbeđuje interno okruženje koje stimuliše ličnu inicijativu i kreativnost zaposlenih u ostvarivanju ciljeva organizacije.

Održavamo uzajamno korisne odnose sa isporučiocima u cilju povećanja njihove sposobnosti da isporučuju proizvod u skladu sa našim zahtevima.

Poslovne aktivnosti obavljamo na način koji obezbeđuje prepoznavanje, preventivno delovanje, sprečavanje ili minimiziranje negativnih uticaja na životnu sredinu kroz:

- usklađivanje poslovanja sa zakonskim i drugim zahtevima iz ove oblasti,
- identifikaciju svih aspekata životne sredine koji imaju ili mogu imati uticaj na životnu sredinu,
- štednju prirodnih resursa, sirovina i energije,
- sprečavanje ili smanjenje emisije u vazduh, vodu ili zemljište,
- upravljanje otpadom.

Valjaonica bakra Sevojno a.d posvećena je očuvanju radne sredine i bezbednosti i zdravlja na radu, čime poboljšavamo opšte performanse Društva.

Valjaonica bakra Sevojno a.d. potpuno je posvećena aktuelnim i budućim potrebama tržišta. Naše opredeljenje je da proizvodimo visokokvalitetne proizvode prema međunarodnim standardima i da održimo lidersku poziciju u ovoj oblasti realizujući poslovne aktivnosti na način koji doprinosi maksimalnom očuvanju životne sredine.

Spremni smo da zadovoljimo zahteve i očekivanja korisnika svaki put kada se to od nas traži!
